Description

Tabliczka do plastikowego potykacza - zakaz parkowania. Pozwala na używanie potykaczy do rezerwacji miejsc na prywatnych parkingach lub może być używany jako mobilny znak zakazu, pozwalający na tymczasową organizację ruchu. Produkt świetnie się sprawdzi na firmowych parkingach, a także na terenie magazynów czy hoteli.

Cechy:

- Tabliczka do potykacza.
- Wymiary - 30 x 20 cm.
- Treść - Zakaz parkowania
- Wykonana na pcv 1,5 mm, metodą nadruku.

Prohibition Signboard for Plastic A-Frame Stand - "No Parking"

Prohibition Signboard "No Parking" for A-Frame Stands is a high-quality, durable and effective traffic control accessory designed to support temporary and permanent parking management. Created from strong 1.5 mm PVC using precise direct-print technology, this professional signboard offers excellent visibility, weather resistance and long-lasting performance in daily use. Thanks to its universal dimensions of 30 × 20 cm, it fits most plastic A-frame stands used in car parks, warehouses, hotels and corporate facilities.

Product Applications and Legal Compliance

The "No Parking" signboard is ideal for marking private parking spaces, reserving dedicated spots, and supporting temporary traffic organisation. According to European road safety regulations, clearly visible prohibition signs are essential for maintaining proper traffic flow, preventing unauthorized parking and increasing safety on private and semi-public premises. This signboard effectively communicates restrictions and ensures compliance with internal and external traffic rules.

Our company has been specialising in road traffic safety devices for many years. We are a recognised manufacturer and direct importer, appreciated across European markets for our reliability, high product quality and fast delivery from our own warehouse. We supply wholesale and retail clients with a wide assortment of road safety equipment at an excellent price-to-quality ratio. Our experience, broad inventory and consistently high standards make us a trusted partner in the traffic safety industry.

Additional suggested uses of the "No Parking" signboard:

1. Temporary blocking of delivery zones.
2. Marking emergency access routes.
3. Reservation of VIP or client spaces at hotels.
4. Internal traffic management in logistic centres.
5. Clear signalling of restricted zones on private properties.

Choosing our “No Parking” signboard means selecting a durable, practical and versatile solution that enhances safety while offering premium quality at an attractive price.
